Medical and Domestic DPT Students

Student Health Insurance Plan 2024-2025

Eligibility

All **degree seeking domestic students** enrolled in credit hours at the University of North Texas Health Science Center at Fort Worth are required to participate in the university-sponsored student health insurance plan. Participation is based on a hard waiver policy, which means students are automatically enrolled in the insurance plan unless they provide proof of comparable coverage. Students enrolled exclusively in online courses, except those enrolled in the College of Biomedical and Translational Sciences - MS Medical Science online courses, are not eligible and will not be enrolled.

All registered International students with a current passport and student visa engaged in educational activities at the University of North Texas Health Science Center at Fort Worth (UNT HSC) are eligible and must be enrolled in the insurance plan on a hard waiver basis. This includes International students engaged in Curricular Practical Training, Internship, Practicum, or other credit or non-credit activity as a bona fide UNT HSC student. International students participating in Optional Practical Training or Academic Training are eligible to enroll on a voluntary basis for up to a year (unless approved for a 2-year extension) as long as they were enrolled in SHIP as a student. If OPT/TA students have a gap in SHIP coverage while in the OPT/TA program, they must provide proof of their loss of coverage to re-enroll in SHIP. Eligible Dependents of SHIP plan participants may be enrolled on a voluntary basis.

Eligible Dependents of SHIP plan participants may be enrolled on a voluntary basis.
