

Eligibility

All **degree-seeking domestic students** enrolled in credit hours at the University of North Texas Health are required to participate in the university-sponsored student health insurance plan. Participation is based on a hard waiver policy, which means students are automatically enrolled in the insurance plan unless they provide proof of comparable coverage.

Students enrolled exclusively in online courses, except those enrolled in the College of Biomedical and Translational Sciences - MS Medical Science online courses, are not eligible and will not be enrolled.
