ValueONE Network Facts:

- 51,000 major national and regional pharmacy chains, retailers and grocers, and independent pharmacies participate in the ValueONE Retail Network. This includes many national pharmacies you may already be using.
- 50,000 major national and regional pharmacy chains, retailers and grocers, and independent pharmacies participate in the ValueONE Extended Supply Network (ESN). This includes many national pharmacies you may already be using.
- Generally, ValueONE Retail Network pharmacies can fill up to a 30-day supply of retail drugs while ValueONE ESN Network pharmacies can fill up to a 90-day supply of certain medications (prescription must be written for up to a 90-day supply). Refer to your benefit booklet for the specific day supply permitted by your benefit plan. Since the type of pharmacy differs within the ValueONE Network, be sure to check your specific pharmacy.
- If you do not use a ValueONE Network pharmacy, you may be responsible for the full cost of your prescription medication. Benefits may not be provided for out-of-network pharmacies.
- To maximize your pharmacy benefits, you will need to transfer all your prescriptions to a ValueONE Network pharmacy.

Useful Information to Maximize Benefits

- To maximize your benefits, always use in-network providers for services covered by your health benefit plan. To find in-network providers, check a provider directory, provider finder website (AlabamaBlue.com) or call 1-800-810-BLUE (2583).
- In-network hospitals, physicians and other healthcare providers have a contract with a Blue Cross and/or Blue Shield Plan for furnishing healthcare services at a reduced price (examples: BlueCard® PPO, PMD). In-network pharmacies are pharmacies that participate with Blue Cross and Blue Shield of Alabama or its Pharmacy Benefit Manager(s). In Alabama, in-network services provided by mental health disorders and substance abuse professionals are available through the Blue Choice Behavioral Health Network. Sometimes an in-network provider may furnish a service to you that is not covered under the contract between the provider and a Blue Cross and/or Blue Shield Plan. When this happens, benefits may be denied or reduced. Please refer to your benefit booklet for the type of provider network that we determine to be an in-network provider for a particular service or supply.
- Out-of-network providers generally do not contract with Blue Cross and/or Blue Shield Plans. If you use out-of-network providers, you may be responsible for filing your own claims and paying the difference between the provider's charge and the allowed amount. The allowed amount may be based on the negotiated rate payable to in-network providers in the same area, the average charge for care in the area, or in accordance with applicable Federal law.
- Please be aware that providers/specialists may be listed in a PPO directory or provider finder website, but not covered under this benefit plan. Please check your benefit booklet for more detailed coverage information.
- Bariatric Surgery, Gastric Restrictive procedures and complications arising from these procedures are not covered under this plan. Please see your benefit booklet for more detail and for a complete listing of all plan exclusions.
- As a participant in the student health plan, you have access to the following services and benefits when you are traveling over 100 miles from home or outside your community: Emergency Medical Evacuation, Repatriation and Emergency Family Assistance Services, Medical, Travel, Safety, and Legal Assistance and additional benefits. Please visit aes.myahpcare.com for more information.
- AcademicLiveCare (ALC): Through ALC, you will benefit from virtual visits with board-certified professionals for both behavioral and physical health concerns. This program offers 24/7 urgent care or scheduled appointments with a medical doctor, therapist, nutritionist or psychiatrist. Use your school's unique coupon code, sent to you upon enrolling in the student health insurance plan, to receive no-cost care. ALC is an independent company from Blue Cross and Blue Shield of Alabama. To access these services, please visit ahplivecare.com and use the service key and coupon code **AHPFREE**.
- Academic Student Assistance Program (ASAP): For immediate access to a counselor or life and wellbeing resources, utilize our ASAP service. To explore life and wellbeing resources, simply visit myahpcare.personaladvantage.com and enter AHP1 as the Company Code. Ready to speak to a counselor? Call 1 (866) 349-5575.
- Please refer to your benefit book or contact Blue Cross directly about coverage for your hospital charges and other related medical services. Approval for air medical transportation does not mean that hospitalization and other medical expenses will be covered. All coverage determinations for medical benefits are subject to the terms, conditions, limitations and exclusions of the health plan. Air medical transportation services are provided through a contract with AirMed International, LLC, an independent company that does not provide Blue Cross and Blue Shield of Alabama products. Blue Cross is not responsible for any mistakes, errors or omissions that AirMed, its employees or staff members make. Air medical transportation services terminate if coverage by your health plan ends.

This is not a contract, benefit booklet or Summary Plan Description. Benefits are subject to the terms, limitations and conditions of the group contract (including your benefit booklet). Check your benefit booklet for more detailed coverage information. Please visit our website, AlabamaBlue.com.
