This is a brief description of the Student Health Plan. The plan is available for Vanderbilt University students and their eligible dependents. The plan is insured by Aetna Health and Life Insurance Company (Aetna). The exact provisions, including definitions, governing this insurance are contained in the Certificate issued to you and may be viewed online at **www.aetnastudenthealth.com.** If there is a difference between this Plan Summary and the Certificate, the Certificate will control.

Vanderbilt University Health Center

Vanderbilt University Student Health Center (SHC) is Vanderbilt University's on-campus health facility for all students registered at Vanderbilt University. The Student Health Center is open Monday through Friday 08:00am to 04:30pm. The SHC offers a wide array of services provided by Vanderbilt University Medical Center (VUMC) physicians, nurse practitioners, nurses and lab technicians. Detailed information including hours of operation, student insurance information, and department services can be found at www.vumc.org/student-health.

Care provided outside of the Student Health Center requires an annual referral, per condition, before the claim will be processed. If you do not get a referral, covered benefits will be processed at the out-of-network coverage cost sharing. Students can request the referral from their primary care provider at the Student Health Center by messaging that provider or calling Student Health at 615-322-2427. Students who do not have an established relationship with a primary care provider at Student Health can call 615-322-2427 to schedule a brief appointment for a referral request and/or to schedule an appointment to establish care with a primary care provider at Student Health. Treatment that requires a referral will be covered in accordance to the Schedule of Benefits on pages 5-21.

Exceptions to the Referral process.

- Mental Illness Treatment and Substance Use Disorder Treatment.
- Maternity, obstetrical, and gynecological care
- Care that occurs when the Student Health Center is closed
- Medical Emergencies
- Medical care received when an Insured Student is more than 40 miles from the Vanderbilt University campus.
- Medical care received when an Insured Student is no longer eligible to use the Student Health Center due to a change in student status (for example, while a student is on medical leave of absence)
- Medical care for Insured Dependents

Who is eligible?

Degree and non-degree seeking students (excluding Division of Unclassified Studies (DUS) and Consortium students) enrolled in 4+ credit hours, a 0-credit research/dissertation course, or any other course that is considered to equate to full-time enrollment are automatically enrolled in SHIP.

All international students attending Vanderbilt University are automatically enrolled in and billed for the Student Health Plan to be in compliance with federal regulations. J-1 Visa status requires international students and their dependents residing in the United States to maintain adequate health insurance coverage.

Dependent Coverage Eligibility

Covered students may also enroll their eligible dependents. Students may enroll their eligible dependents for an additional cost. It is the student's responsibility to enroll eligible Dependents each year. Dependents are not automatically enrolled. Students need to purchase coverage for their eligible dependent(s) at the same time of their initial plan enrollment and must purchase the same period of coverage for which the student is enrolled.

Who can be on your plan (who can be your dependent)
Your plan includes dependent coverage, so you can enroll the following family members on your plan. They are referred to in this certificate of coverage as your "covered dependents" or "dependents".)

- Your legal spouse that resides with you
- Your dependent children – your own or those of your spouse. The children must be under 26 years of age, and they include: biological children, stepchildren, legally adopted children, or a child legally placed with you for adoption.

Coverage Dates and Rates

Coverage for all insured students and eligible dependents will become effective at 12:01 AM on the Coverage Start Date indicated below, and will terminate at 11:59 PM on the Coverage End Date indicated. Coverage for insured dependents terminates in accordance with the Termination Provisions described in the Certificate of Coverage.

Coverage Periods

Coverage Period	Coverage Start Date	Coverage End Date	Enrollment/Waiver Deadline
Annual	08/12/2021	08/11/2022	08/01/2021
Spring	01/01/2022	08/11/2022	01/04/2022
Summer	05/01/2022	08/11/2022	07/22/2022

Rates

All rate information can be found by visiting vanderbilt.myahpcare.com.

Enrollment

Eligible students will be automatically enrolled in this Plan, unless the completed waiver application has been received by Vanderbilt University by the specified enrollment deadline dates listed in the Coverage Periods section of this Plan Design and Benefits Summary. Eligible students may also insure their Dependents. Eligible Dependents are the student's legal spouse and dependent children under 26 years of age.

To enroll online for voluntary dependent coverage, log on to vanderbilt.myahpcare.com then click on Enrollment tab to enroll.

If you withdraw from school within the first 31 days of a coverage period, you will not be covered under the Policy and the full premium will be refunded, less any claims paid. After 31 days, you will be covered for the remainder of the plan year providing plan premiums are paid, and no refund will be allowed. (This refund policy will not apply if you withdraw due to a covered Accident or Sickness.)

Graduating within 31 days of the start of the coverage period shall not be considered a withdrawal from school.

Important note regarding coverage for a newborn infant or newly adopted child:

A newborn child will automatically be covered for the first 31 days following the child's birth. To extend coverage for a newborn child past the 31 day period, the covered student must: 1) enroll the child within 31 days of birth, and 2) pay any required additional premium.

To keep your newborn covered, you must notify us (or our agent) of the birth and pay any required premium contribution during that 31 day period, retroactive to date of birth.

Special times you and your dependents can join the plan

You can enroll in these situations:

- When you did not enroll in this plan before because:
  - You were covered by another health plan, and now that other coverage has ended.
  - You had COBRA, and now that coverage has ended.
  - You have added a dependent because of marriage, birth, adoption, placement for adoption. See the *Enrollment* section above for more information.
- You or your dependents become eligible for State premium assistance under Medicaid or an S-CHIP plan for the payment of your **premium** contribution for coverage under this plan.
- When a court orders that you cover a current spouse or a minor child on your health plan.
- When you are a victim of domestic abuse or spousal abandonment and you don't want to be enrolled in the perpetrator's health plan.

We must receive your completed enrollment information from you within 31 days of that date on which you no longer have the other coverage mentioned above.

Three-Month Continuation Option for Expiring 2021-2022 Insurance

Students graduating or otherwise leaving school whose 2021-2022 student health insurance coverage is terminating may elect to purchase a continuation option that will provide an additional three months of coverage based on the 2022-2023 Policy year benefits. Please note you can only enroll one time into the continuation option plan.

In-network Provider Network

Aetna Student Health offers Aetna's broad network of In-network Providers. You can save money by seeing In-network Providers because Aetna has negotiated special rates with them, and because the Plan's benefits are better.
If you need care that is covered under the Plan but not available from an In-network Provider, contact Member Services for assistance at the toll-free number on the back of your ID card. In this situation, Aetna may issue a pre-approval for you to receive the care from an Out-of-network Provider. When a pre-approval is issued by Aetna, the benefit level is the same as for In-network Providers.

Precertification

You need pre-approval from us for some eligible health services. Pre-approval is also called precertification. Your in-network physician is responsible for obtaining any necessary precertification before you get the care. When you go to an out-of-network provider, it is your responsibility to obtain precertification from us for any services and supplies on the precertification list. If you do not precertify when required, there is a $500 penalty for each type of eligible health service that was not precertified. For a current listing of the health services or prescription drugs that require precertification, contact Member Services or go to www.aetnastudenthealth.com.

Precertification Call

Precertification should be secured within the timeframes specified below. To obtain precertification, call Member Services at the toll-free number on your ID card. This call must be made:

Non-emergency admissions:	You, your physician or the facility will need to call and request precertification at least 14 days before the date you are scheduled to be admitted.
An emergency admission:	You, your physician or the facility must call within 48 hours or as soon as reasonably possible after you have been admitted.
An urgent admission:	You, your physician or the facility will need to call before you are scheduled to be admitted. An urgent admission is a hospital admission by a physician due to the onset of or change in an illness, the diagnosis of an illness, or an injury.
Outpatient non-emergency services requiring precertification:	You or your physician must call at least 14 days before the outpatient care is provided, or the treatment or procedure is scheduled.

We will provide a written notification to you and your physician of the precertification decision, where required by state law. If your precertified services are approved, the approval is valid for 30 days as long as you remain enrolled in the plan.

Coordination of Benefits (COB)

Some people have health coverage under more than one health plan. If you do, we will work together with your other plan(s) to decide how much each plan pays. This is called coordination of benefits (COB). A complete description of the Coordination of Benefits provision is contained in the certificate issued to you.

Description of Benefits

The Plan excludes coverage for certain services and has limitations on the amounts it will pay. While this Plan Summary document will tell you about some of the important features of the Plan, other features that may be important to you are defined in the Certificate. To look at the full Plan description, which is contained in the Certificate issued to you, go to **www.aetnastudenthealth.com.**

This Plan will pay benefits in accordance with any applicable Tennessee Insurance Law(s).
