General Information

Am I Eligible

All degree seeking Domestic undergraduate students taking nine (9) or more credit hours regardless of the type of class (on campus, off campus or online) and all degree seeking Domestic graduate students taking six (6) or more credit hours regardless of the type of class (on campus, off campus or online) are required to have health insurance and are automatically enrolled and the premium will be added to the student's tuition fees. These students have the option to waive the insurance if they complete an on-line waiver in URSA by the 10th day of classes.

If you discover after the 10th day that you are not being billed for the insurance, you can complete an enrollment form. No back-dating of the coverage will be done. Coverage will begin on the date the insurance company receives the enrollment.

Domestic undergraduate students taking less than nine (9) credit hours and Domestic graduate students taking less than six (6) credit hours and Domestic graduate students that are not in a degree seeking program are not eligible to participate in the UNC Student Health Insurance Plan. They may, however contact Academic Health Plans at (855) 825-3985, who will assist then in finding individual coverage.

All international students with one (1) or more credit hours will be automatically enrolled in the Student Health Insurance Plan and the premium will be added to the student's tuition fees without the option to waive unless they are currently enrolled in a government sponsored US accepted insurance plan.

Students who waived the student insurance in a previous semester but want to be on the insurance for the current semester may complete a request for re-enrollment. If you request the re-enrollment and pay the required premium amount during the open enrollment period at the start of the semester (no later than the 10th class day), you will be insured with the student insurance beginning on the effective date of coverage for that semester. You must meet the other enrollment criteria as stated in this document.

If you want to enroll in the student insurance after the open enrollment period, you must show proof of your other coverage. Coverage will begin on the date the insurance company receives the enrollment form and required premium amount. Coverage will not be back-dated or pro-rated.

Summer Enrollment: Students enrolling for summer classes may purchase the Student Health Insurance, provided they meet the eligibility criteria. Students need to complete an enrollment form during the open enrollment period. No back dating or pro-rating of the coverage will be done. Coverage will begin on the date the insurance company approves the enrollment.

Students must attend classes for at least the first 31 days of the period for which he or she is enrolled unless he or she withdraws due to an Injury or Sickness during the first 31 days of the period for which he or she is enrolled, and the absence is an approved medical leave. The Company maintains its right to investigate student status and attendance records to verify that the eligibility requirements have been and continue to be met. If the Company discovers the eligibility requirements have not been met, its only obligation is refund of premium less any claims paid. Please contact the Student Health Insurance Office at (970) 351-1915 for additional details on eligibility.

If you no longer meet the eligibility requirements contact Academic Health Plans at **unco.myahpcare.com** or at **help.ahpcare.com** prior to your termination date.
