

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, go to www.wellfleetstudent.com or call toll free 1-877-657-5030. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary or call 1-800-318-2596 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible ?	Combined In- Network Provider and Out-of-Network Provider : \$500/Individual	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay.
Are there services covered before you meet your deductible ?	Yes. In- Network Preventive services , Physician and Specialist office visits, Urgent Care Centers, Outpatient Mental Health/Substance Use Physician's Visits, Zero Cost Generic and In- Network Prescription Drugs , Pediatric Vision Care, Medical Evacuation and Repatriation services are covered before you meet your deductible .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	Combined In- Network Provider and Out-of-Network Provider : \$8,150/Individual; \$16,300/Family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit ?	Premiums , balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.cigna.com or call 1-877-657-5030 for a list of in- network providers	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
