NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, <u>https://www.aetnastudenthealth.com/</u> or by calling 1-877-480-4161. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms, see the Glossary. | Important Questions  | Answers   | Why This Matters:   |
|--|---|---|
| What is the overall deductible?                                      | For each <u>Plan</u> Year, In- <u>Network</u> : Individual \$750. Out-of-Network: Individual \$1,500.   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay.  |
| Are there services covered before you meet your deductible?          | Yes. The following are covered before you meet your deductible: In-network care for Preventive care and wellness, In-network care Pediatric Vision and Pediatric Dental Care, In-network care for Outpatient Prescription Drugs and Innetwork and Out-of-network care for Well newborn nursery. | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>                              |
| Are there other <u>deductibles</u> for specific services?            | No.   | You don't have to meet <u>deductibles</u> for specific services.  |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | In- <u>Network</u> : Individual \$5,000 / Family \$10,000.<br>Out-of-Network: Individual \$10,000 / Family<br>\$20,000.   | The <u>out–of–pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket</u> <u>limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the out-of-pocket limit?                     | <u>Premiums</u> , <u>balance-billing</u> charges, health care this <u>plan</u> doesn't cover & penalties for failure to obtain <u>precertification</u> for services.  | Even though you pay these expenses, they don't count toward the <u>out–of–pocket limit</u> .  |
| Will you pay less if you use a network provider?                     | Yes. See www.aetna.com/docfind or call 1-877-480-4161 for a list of in-network providers.   | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider in the plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider before you get services</u>.</u></u> |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?           | No.   | You can see the <u>specialist</u> you choose without a <u>referral</u> .  |

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
